

You can help our students keep their cool!

- We want to install room air conditioners in the Immaculate Conception School classrooms to help our students and staff stay cool during the hot days of spring and early fall.
- A limited number of room sponsorships are available for just \$900 which will cover the cost of air conditioning one room. Although a room sponsorship is \$900, we will accept donations of any amount.
- Sponsor a room and keep a whole class cool, comfortable, and ready to learn!
- All sponsors will be recognized with a sign to be posted in the school.

_____ Yes, I want to be an Immaculate Conception A/C Room Sponsor!
